Q UESTIONS

CAN I CHOOSE THE MUSIC?

We want our films to be shareable and legal but we try to pay attention to the preferable song requests of the couple and the mood of the wedding. Please take it into account that the most popular songs cannot be licensed for reasonable price but of course you can share your favorite artist with us and we will provide with the best solutions!

DO YOU RECORD AUDIO?

Although we are filming only highlight videos we do provide with speeches of the ceremony in some cases depending on the mood of the shortfilm and also if you request only for full ceremony filming.
