Drawings by the riverside

At Cais da Rocha Conde d'Óbidos you'll find Casa de Desenho, a cosy little brick house, literally by the river Tagus.

Originally known as the Drawing Room, it was here that ships' drawings and schematics were born. This venue later became home to the iconic "Speakeasy" bar, one of Lisbon's best-known live music venues, where well-known national and international artists performed.

After extensive renovation works to restore the glory and name of this Lisbon landmark, it has become a very sought-after venue for all kinds of events.

Birthdays, wedding ceremonies, movie set, corporate events, media presentations - we're ready for any challenge.
